Mr. Vincent Chua
Hiring Manager
Tech Company Philippines
789, Bonifacio Global City
Manila, Philippines

Dear Mr.Chua,

Good Day Sir! I am Phoebe Joy Ann A. Hernandez. I am thrilled to apply for the Web Developer position at Tech Company, where I can utilize my skills and passion for innovate technology to drive success. As a fresh graduate of Bachelor of Science in Information Technology, Major in Web and Mobile Development. I am confident in my ability to make an immediate impact. My academic achievements including graduating Cum Laude, demonstrates my dedication and commitment to excellence.

With a strong educational foundation in Web and Mobile Development, I am knowledgeable in HTML, CSS, JavaScript. Experience with database management systems. Also, understanding development of methodologies. Beyond technical skills I own ability to work under pressure, meeting deadlines with precision. Effective multitasking skills and a competitive spirit.

I am excited about the opportunity to join Tech Company's dynamic team and contribute to cutting-edge projects. Please find attached my CV/resume for your consideration. It provides detailed information about my qualifications, skills, and experience, which I believe align with the requirements of the position.

If you want to know more information about me you can contact me at my e-mail account phoebejoyannah@gmail.com or at my cellphone number 09613450273.

Thank you for considering my application. I look forward to discussing my qualifications further.

Sincerely yours,

Phoebe Joy Ann A. Hernandez
